

Welcome from the GM

I am very pleased to have the opportunity to introduce you to our new cabinet for the 2009-2010 school year. We had a lot of great candidates apply for the positions, a testament to the quality of the members within the organization. Three of the eleven cabinet members are returning to the board, two of them for their third year. This provides the organization with great experience and knowledge heading forward. In addition, five of the board members will be underclassman who can help the organization continue to grow over the next few years. Please join me in welcoming the new board, I know they will do great things and continue to make Q30 one of the best organizations at Quinnipiac.
